The Legislative Hunger Caucus will meet on Wednesday, March 24, 2010 at 10:00 a.m. in Room 8E-A of the East Wing.

Hunger and food insecurity continue to be pressing moral and economic issues for the Commonwealth. Pennsylvania is a world leader in food production and processing and yet far too many of our citizens struggle every day with hunger, especially during these tough economic times.

The Legislative Hunger Caucus held its first meeting in February, 2009, with a goal of decreasing the human and economic toll of hunger in the Commonwealth in a cooperative manner. We wish to continue this mission in 2010 by providing beneficial information throughout the year as it relates to hunger and food insecurity in Pennsylvania. Attached, you will find valuable information about Pennsylvanians who experience food hardship on a daily basis.

As we move forward to address the problem of hunger and food insecurity in Pennsylvania, we hope that you will be able to attend this important caucus meeting; an agenda will be provided closer to the meeting date. Please confirm your attendance with Lisa Reisteter in Senator Brubaker's Office, at 787-4421 or [lreisteter@pasen.gov](mailto:lreisteter@pasen.gov).
